

Welcome Letter

Welcome to (and welcome back returning members) Aerial Gymnastics & Cheer Browns Plains Club Inc (AGC or the club). We are sure that your child will enjoy participating in their selected activity.

As we are a community based not-for-profit organization, we do rely on all members ensuring that their fees are up to date to meet the club's financial commitments. We also rely on donations and assistance from members for our organization to continue.

The club also fundraises throughout the year with various activities, these include:

- BBQ
- Raffles
- Chocolate Drives
- Krispy Kreme Fundraiser
- Cans for Cairns

Our club is affiliated with Gymnastics Queensland and associated with Dance and Cheer Events.

Aerial Gymnastics and Cheer is run by a **Volunteer** committee which is there to support the members and coaches. As all of our volunteers also work fulltime in other positions your patience and respect in answering queries is appreciated.

Please ensure that all forms are completed and that you read with your child the policies and procedure and that you both understand your responsibilities while participating in class.

Included with this letter is:

- Enrolment Form
- Fee Structure
- Policies & Procedures
- Parental confirmation form

Please do not hesitate to contact a committee member or coach if you have any enquiries.

Thank you.
